Dear Mr Morris

Thank you for sending donations in memory of your friend and colleague the late Ewan Chrystal. Donations made in memory of friends and loved ones are greatly appreciated here at The British Heart Foundation (BHF). Please accept our thanks and sympathy.

Please also pass on my warmest thanks to everyone who so kindly contributed.

We always like to write to the next of kin to inform them of any donations and the total amount received. So if you have these details please fill in the enclosed form. Please be assured we do not disclose individual amounts that have been donated.

The BHF is the nation's heart charity, raising funds for pioneering research that saves and improves lives of vulnerable men, women and children whose hearts are in crisis. Research breakthroughs, like clotbusting drugs, keep thousands of hearts beating today. We rely on donations to continue our vital work and are extremely grateful for your support.

Thank you again for thinking of us at this time.

Yours sincerely
